

## New Billing Service Dates

To accommodate the city's rapid growth, Seminole Improvement District will gradually transition the water utility billing cycle into three separate service periods. This change will begin with the next billing statement. See below for a detailed billing schedule by development. For any questions or concerns, please contact Customer Service at 877-794-7721 - Monday through Friday, from 9:00 a.m. to 5:00 p.m.
